

2020 Tolton Catholic Online High School Summer School

Tolton Catholic High School summer school will run Monday-Thursday, June 1st through the 25th 2020. We are offering Health and Personal Finance classes delivered in an online format. Each session is worth ½ a credit, and can be computed into the Tolton student's GPA.

Each course costs \$275 for a class. Take a second class for a total of \$50 more, total of \$325. Registration is on a first come, first serve basis. Payment for the summer school program is due at the time of registration. The registration deadlines are:

Through 5/8/20 Priority Registration
Through 5/27/20 Late Registration

Terms and Conditions:

- Students are expected to check in with their summer school class every day. The curriculum is compressed and the contact hours are so close to the minimum requirements that students cannot miss class. There will be two make up days on the 19st and 26th of June. If students have days that are not made up then credit will not be granted.
- Students in academic classes are expected to do homework and complete overnight assignments. Please budget appropriate time to ensure homework is completed for the next day of school.
- Classes will have any meeting times in the morning and will be de-conflicted for students taking both classes. There will be scheduled meeting times in the afternoon.

Questions: Call Fr. Tolton Catholic High School at 573-445-7700

Academic questions: Mr. Tim Scherrer, Dean of Academics tscherrer@toltoncatholic.org

Course Descriptions for Summer School 2020

Health: The purpose of this class is to acquaint students with a variety of health information to enable them to develop good health habits. Subject matter will include information and class discussions, and will require a research paper at the end of the semester. Students will identify where they fit in the continuum of wellness, and learn how to make responsible healthy decisions, while shaping proper attitudes towards personal health care. This is a required class for all Tolton students for graduation and is awarded $\frac{1}{2}$ of a credit in Physical Education.

Personal Finance: The purpose of this course is to education students so that they make sound financial decisions in their personal lives. Units covered include and Investing, Credit and Debt, Financial Responsibility and Money Management, Insurance/Risk Management, Income/Careers and the power of giving. This course earns $\frac{1}{2}$ a credit in practical arts and is required for graduation.
