TIPS FOR SELLING ONLINE

- If you approach a potential buyer and they seem interested, but do not have payment with them, consider directing them to the online sales link.
- Leave behind a flyer with the link to the online sales. Be sure to write your name on the back and kindly ask them to enter your name in the online form as the "Student Seller" so that you will be credited with the sale.
- Due to COVID-19 as well as cyber security, please do not offer the buyer to use your phone/iPad/laptop to complete the purchase. Not only could this spread germs, but your device may store their credit card information.
- Remind buyers that if they purchase online, they will not receive a physical ticket. Instead, a label with their name and contact information will be affixed to a physical ticket and entered into the drawing.
