

RenWeb Setup Information for Parents

RenWeb is our all-inclusive student information system. Parents can monitor grades, attendance, lunch accounts, and many other school-related items.

Here's how to set up your account:

1. When setting up your account, you must use the email address that the school has on file. This ties you to your student. If you have not provided an email address to the school, please contact the office at (57) 445-7700 so it can be added.
2. Go to <https://logins2.renweb.com/Logins/ParentsWeb-Login.aspx?>
3. Click on Create New Family Portal Account (below the login button).
4. Type in our district code: FT-MO
5. Enter the email address you provided to the school.
6. Click Create Account.
7. An email will be sent to you with a link that will allow you to create a unique username and password.
8. After completing this process, you can log in to Family Portal.
9. Log in to RenWeb to check on your student's progress.
